

**Information Sheet**  
**Due Wednesday, August 22 Before the Start of Class**  
**(Worth 5 of your 15 percentage points for Participation)**

**Name:** \_\_\_\_\_

(Also indicate if you prefer to be called by a shortened version of your name, or give me tips on pronunciation of your first name or last name if you expect I will have trouble.)

Check all that apply:

Graduate Student  
in Mathematics

Graduate Student  
in another discipline

Undergraduate

**If Graduate Student in Mathematics . . .**

What was your undergraduate institution, what subject was your undergraduate degree in, and when did you receive your undergraduate degree?

Are you in the mathematics Ph.D. program or another mathematics graduate program?

Are you a supported student with TA duties?

Have you decided on an area of research or advisor?

Do you intend to take the Analysis Preliminary exam in the department? If so, when?

**If Graduate Student in Another Discipline . . .**

What UH program are you currently in?

What was your undergraduate institution, what subject was your undergraduate degree in, and when did you receive your undergraduate degree?

Tell me about your mathematics background, mathematics courses you've taken, and how comfortable you are with proofs.

**If Undergraduate . . .**

What is your major? Are you planning to go to graduate school?

**For Everyone . . .**

What are your professional aspirations? How do you see the material from this course contributing to your professional life or future work?
